- Non-fuming
- Non-toxic. MSDS Health rating of "0".
- Only mild temporary irritation when sprayed directly into the eye. No permanent eye damage.
- Non-corrosive to equipment and tools

GREEN

99.9% isn't everything.....*EVERYTHING* is everything!

In GLP tests 2,170,000,000 (2 Billion) MRSA organisms were placed in a suspension tube.

STERIPLEX killed **all** organisms in 30 seconds flat (**99.999985% total kill**).

If competing products only kill 99.9% that would leave over 2,000,000 pathogens alive!

STERIPLEX SD E.P.A. registrations:

E.P.A. Reg. No. 84545-11 | **E.P.A. Est. No. 84545-UT-001**
